ITALIAN 1820S NEOCLASSICAL WALNUT SIDE TABLE WITH LARGE BANDING AND TAPERED LEGS

$3,750

An Italian walnut Neoclassical period side table from the early 19th century, with single drawer and tapered legs. Born in Italy during the second decade of the 19th century, this lovely walnut side table features a near square top, inlaid with a large banding and sitting above a simple apron, presenting a single drawer opening thanks to a classical brass ring pull. The table is raised on four elegant tapered legs, adorned with curving turned accents in their upper section. With its blond walnut patina and clean lines, this Italian Neoclassical period side table circa 1820 will bring a touch of elegance to any home, particularly in a living room, bedroom or hallway.
