ITALIAN 1930S PAINTED WOOD GUÉRIDON TABLE WITH GILT ACCENTS AND HOOFED FEET

$4,350

An Italian painted wood guéridon side table from the mid-20th century, with gilded accents and hoof legs. Born in Italy during the first half of the 20th century, this unusual guéridon captures our attention with its delicate contrast of colors and unusual base. Presenting a circular top accented with a gilded trim and vine motif, the table is raised on a central fluted pedestal adorned with foliage and resting on charming hoofed feet. With its elegant lines and painted and gilt finish, this Italian guéridon table circa 1930 will be a great focal point in any home, perhaps placed in a living room or bedroom.
