ITALIAN 19TH CENTURY NEOCLASSICAL STYLE PAINTED COMMODE WITH MYTHOLOGICAL SCENES

$7,995

An Italian Neoclassical style painted wood three drawer commode from the 19th century, with mythological scenes. Created in Italy during the 19th century, this Neoclassical commode draws our attention with its nicely weathered painted finish accented with various mythological scenes. A woman on the top is wrapping her left arm around a putto. The bow that she is holding in her right hand indicates that she may be Diana, goddess of the hunt. The three drawers below, decorated with delicate garlands, showcase additional scenes with lively cherubs. Raised on tapered feet, angled in the front and adorned with ribbon-tied urns on the sides, this 19th century Italian Neoclassical commode will bring a touch of elegance to any bedroom or living room.
