$4,500

A pair of Italian Midcentury bronze table lamps with scrolling motifs, foliage, verdigris patina and custom made rectangular lucite bases. Illuminate your interiors with a blend of elegance and style, featuring this pair of Italian Midcentury bronze table lamps. Designed during the mid-20th century, these unique lamps offer a glimpse into the ornate sophistication and craftsmanship of Italian design, which is renowned for its timeless appeal. Exquisitely sculpted in quality bronze, these lamps boast intricate scrolling motifs and delicate foliage details that are quintessential of classic Italian aesthetic. The complex design effortlessly radiates opulence, turning an everyday object into a piece of functional art. Each lamp proudly displays a verdigris patina, which not only highlights their vintage provenance but also adds a touch of rustic charm and color, blending seamlessly into a variety of interior decors. This distinct finish imbues each piece with an aura of historical elegance that is certain to make them stand out features in any setting. The lamps are perched on custom-made, rectangular lucite bases, providing a modern contrast to the antique-style bronze elements. This thoughtful fusion of styles is reflective of the midcentury era, renowned for its eclectic designs that defied tradition. Professionally rewired for the USA and each equipped with a single socket, these Italian Midcentury bronze table lamps are ready to infuse your spaces with their unique charm and warm lighting, becoming treasured pieces in your home decor collection.
