ITALIAN MID-CENTURY STEEL TIERED STAND WITH BLACK GLASS SHELVES AND DOMED TOP

$1,500

This steel Mid-Century Italian Stand features a domed top adorned with a round brass finial at the top, over three elegant black glass shelves. Each shelf, safely secured in the steel frame, increases in size from top to bottom. The rounded shape of the frame lets your eye delicately follow the succession of shelves to end up looking at the slightly splayed feet. This good-looking tiered Stand, circa 1950-1960 would adorn any room beautifully, particularly when decorated with your favorite decorative objects.
