ITALIAN MIDCENTURY MURANO GLASS WHITE LIGHT FIXTURE WITH TWIRLING MOTIFS, WIRED

$4,500

An Italian Murano glass white colored campanula shaped light fixture from the Midcentury period, with single socket and twirling motifs. Hand-crafted in Italy during the mid-20th century, this exquisite Murano glass light fixture captivates with its elegant campanula shape and delicate craftsmanship. The fixture features a pristine white glass body, gracefully flaring at the base, which is beautifully accented with an amber-colored rim. This subtle touch of color enhances the overall aesthetic, adding a hint of warmth and sophistication to the piece. The light fixture is adorned with intricate twirling motifs that dance across its surface, showcasing the artistry and skill inherent in Murano glasswork. These delicate patterns create a sense of movement and fluidity, adding depth and visual interest to the design. The fixture is equipped with a single socket and has been professionally wired for the USA, ensuring both functionality and safety. Perfect for adding a touch of midcentury elegance to any room, this Murano glass light fixture is ideal for use in a living room, dining area, or entryway. Its refined design and timeless appeal make it a versatile addition to various decor styles, from contemporary to classic. The combination of the white glass, amber accents, and twirling motifs ensures this piece will be a focal point, bringing a touch of Italian craftsmanship and sophistication to your home. Whether illuminating a cozy corner or serving as a central light source, this Murano glass fixture exudes charm and elegance, making it a cherished addition to any interior.
