ITALIAN NEOCLASSICAL STYLE WALNUT TWO-DRAWER CHEST, 20TH CENTURY

$15,600

An Italian walnut chest featuring two long drawers adorned with carved swag and medallion decoration. The façade is embellished with applied garlands terminating in rosettes, with a central roundel motif framing each escutcheon. A narrow band of geometric inlay separates the drawers, adding refinement and visual structure.

The case is raised on four tapered and fluted legs with carved block capitals. The side panels are molded with shaped reserves, and the warm walnut surface displays natural figuring and tonal variation throughout. The proportions are balanced and practical, allowing the piece to function comfortably as a commode, entry chest, or bedroom storage.
