ITALIAN VINTAGE CRYSTAL AND STEEL SIX-LIGHT CHANDELIER WITH FACETED BEADS, WIRED

$4,500

An Italian vintage crystal and steel chandelier from the 20th century with six scrolling arms. This exquisite Italian vintage crystal and steel chandelier from the 20th century epitomizes elegance and refined craftsmanship. The chandelier features six gracefully scrolling arms, each adorned with beautifully draped faceted crystals that catch and reflect the light, creating a dazzling display. The smooth sphere accentuating the bottom adds a touch of modernity and balance to the chandelier's intricate design. The steel frame, with its curving lines and textured finish, provides a sturdy yet elegant support for the cascading crystals, merging durability with delicate beauty. Professionally rewired for the USA, this chandelier ensures both safety and convenience, making it ready for immediate use in your home. Perfect for enhancing a variety of settings, this chandelier can be suspended in a dining room to add a touch of glamour to your dinner parties, or placed in a grand entryway to create a welcoming and luxurious ambiance. Its timeless design and sparkling crystals make it equally suitable for a living room or a sophisticated bedroom, where it can serve as a stunning focal point. The combination of shimmering crystals and rugged steel, along with the fluidity of the scrolling arms, ensures this Italian vintage chandelier will bring a sense of opulence and refined elegance to any home. Its blend of classical design elements and modern functionality makes it a cherished addition, enhancing your interior with its radiant beauty and sophisticated charm.
