# ITALIAN WALNUT 19TH CENTURY BAROQUE STYLE FRATINO CONSOLE TABLE WITH LYRE BASE

## $10,800

An Italian Baroque style walnut Fratino console table from the 19th century with carved lyre shaped legs and iron stretchers. Add a touch of opulence to your home with this stunning Italian Baroque style console table from the 19th century. Crafted with intricate details and timeless design, this walnut Fratino console table is a true masterpiece. The table features a rectangular top that provides a generous surface for displaying your favorite decor pieces or creating a functional workspace. The rich walnut wood showcases its natural beauty and brings warmth to any room. What truly sets this console table apart are the exquisite carved lyre-shaped legs. The intricate detailing and flowing curves add a sense of elegance and sophistication to the piece. These legs are masterfully crafted, reflecting the skill and artistry of the Baroque period.

To enhance the stability and add a touch of charm, the legs are connected to the top's underside through scrolling iron stretchers. These iron stretchers not only provide structural support but also create an interesting visual contrast against the warm tones of the walnut wood. This Italian Baroque style console table is a perfect blend of artistry and functionality. Its timeless design and meticulous craftsmanship make it a focal point in any interior. Whether placed in an entryway, living room, or study, this console table will effortlessly elevate the style and ambiance of your space.
