ENGLISH MID-CENTURY WOODEN BENCH WITH BROWN TUFTED LEATHER SEAT

$2,100

This English wooden bench from the mid-20th century features a rectangular brown leather tufted seat with double nailhead trim on the surround. The bench is raised on four simple straight legs with side stretchers placed at varying heights. This English wooden bench, circa 1940 could be easily placed anywhere, from a bedroom to a living room to a den.
