MIDCENTURY BAMBOO AND MAHOGANY CHEST OF DRAWERS WITH CAMPAIGN-STYLE BRASS PULLS

$5,995

A midcentury chest of drawers, crafted with a solid mahogany body framed by bold bamboo poles at the corners and edges. The piece features four drawers—two smaller upper drawers over two full-width lower ones—fitted with flush brass campaign-style pulls that lend both function and a streamlined look.

The warm mahogany grain pairs beautifully with the natural tone of the bamboo, highlighting the chest's clean-lined, geometric form. With its combination of tropical bamboo detailing and classic midcentury practicality, this chest makes a versatile storage solution, equally at home in coastal-inspired interiors, modern eclectic rooms, or traditional settings looking for a touch of texture.

Measuring 48 inches wide, 24 inches deep, and 37.5 inches high, the chest offers generous storage capacity while maintaining an elegant, tailored presence. Its sturdy construction and timeless design ensure it can serve as a bedroom dresser, living room storage piece, or entryway anchor.
