MIDCENTURY PAIR OF ITALIAN CARVED PINE PILASTER TABLE LAMPS ON LUCITE BASES

$2,850

A pair of Italian Midcentury carved pine pilaster table lamps on lucite bases, US wired. Introducing a striking pair of Italian Midcentury carved pine pilaster table lamps, bringing the architectural grandeur to your living space. Crafted in the heart of the 20th-century, this magnificent duo boasts the profound union of a reeded pilaster design with a bold acanthus leaf base, adding an element of historic elegance to a modernly styled room. Each lamp stands on a clear rectangular lucite base, creating an unexpected juxtaposition of vintage and sleek modernity. This union of style and substance effortlessly straddles the divide between rustic allure and contemporary sophistication, making the lamps a standout centerpiece, whether in an avant-garde loft or a classic living room setting. The timeless appeal of these table lamps lies in their unique design intricacies. The reeded texture of the pilasters and the ornate carvings at the base echo the grandeur of classical architecture, while the translucent lucite base adds a clean, contemporary touch. These table lamps have been newly and professionally rewired for the US, ensuring they remain as functional as they are artistic. For lovers of the Midcentury aesthetic or simply those seeking a touch of architectural charm, these Italian carved pine pilaster table lamps are an undeniable addition to elevate the essence of your interior space.
