MIDCENTURY SPANISH GILT METAL SEMI-FLUSH SUNBURST LIGHT FIXTURE WITH STAR MOTIFS

$2,450

A Spanish gilt metal sunburst light fixture from the Midcentury period, with pierced stars and foliage. This exquisite Spanish gilt metal sunburst light fixture from the Midcentury period captures our attention with its intricate design and radiant charm. The sun rays, beautifully crafted as leaves, create a dynamic and organic silhouette that evokes the splendor of nature. Enhancing the piece's allure, the glass section conceals two chandelier bulbs, casting a warm and inviting glow when lit. What makes this fixture truly captivating are the hidden pierced stars situated above the leaves. When illuminated, these stars cast enchanting shapes, adding a layer of visual interest and a touch of whimsy to the piece. The combination of the foliage and star motifs creates a harmonious interplay of light and shadow, enriching the ambiance of any room. Professionally rewired for the USA, this light fixture combines vintage aesthetics with modern functionality. The gilt finish adds a luxurious touch, making it a standout piece in any décor. Whether placed in an entryway, living room, or bedroom, this sunburst light fixture will serve as a stunning focal point, bringing warmth and elegance to the space. Perfect for those who appreciate the blend of natural motifs and celestial elements, this Spanish gilt metal sunburst light fixture will illuminate your home with style and sophistication. Its unique design and enchanting light effects make it a beautiful and functional addition, enhancing the overall décor and creating a magical atmosphere.
