MIDCENTURY SPANISH GILT METAL SUNBURST CROWN CHANDELIER WITH FOUR LIGHTS

$2,400

A dramatic midcentury Spanish gilt metal chandelier with a bold sunburst crown form and four interior lights. Hand-forged from textured metal and finished in a warm, timeworn gilt patina, the design features elongated rays radiating from a layered central medallion—an expressive nod to the iconic sunburst motif, reinterpreted through Spanish craftsmanship.

The open, spiked silhouette allows light to play off the surface textures, creating dynamic shadows and a sculptural effect even when unlit. Viewed from below, the chandelier reads as a stylized sun—an eye-catching detail that adds dimensionality and visual impact.

Rewired for the USA and ready to hang, the chandelier is suspended by a matching canopy and chain. Its four-light configuration provides generous illumination, ideal for rooms that benefit from a strong central fixture.

Perfect for an entryway, over a dining table, or in a vaulted stairwell, this piece blends effortlessly into Mediterranean, Spanish Revival, or eclectic interiors. Whether installed solo or layered with antique or rustic-modern elements, this sunburst chandelier brings drama, artistry, and light in equal measure.
