PAINTED WOOD MODERN CUSTOM SUNBURST WITH CONVEX MIRROR WITH VARYING RAYS

$4,500

Modern painted wood sunburst mirror with light painted finish, small convex mirror and rays of alternating heights. This modern painted wood sunburst mirror is a striking testament to contemporary design. Crafted with meticulous attention to detail, it effortlessly blends artistry and functionality. The mirror features a light painted finish that imparts a sense of freshness and modernity to its aesthetic. Its large size commands attention, making it an impressive focal point in any space. The most captivating aspect of this piece is its sunburst design. Radiating from the central convex mirror are rays of alternating heights. This dynamic arrangement adds depth and dimension to the mirror, creating a visually arresting effect. It's as if the mirror is a vibrant sunburst, casting its radiant light throughout the room. The convex mirror at the center not only serves a functional purpose but also adds a touch of whimsy and intrigue to the design. Convex mirrors have a long history of being used for their unique optical qualities, and here, it adds an element of playfulness to the overall composition. This sunburst mirror can be a versatile addition to various rooms in your home. Hung in a living room, it can instantly elevate the decor and create a sense of openness. In a bedroom, it becomes a stunning accent piece above a dresser or vanity. Placed strategically in a hallway, it reflects light and makes the space feel more inviting. With two of these mirrors available, you have the flexibility to use them together for a symmetrical and impactful look or separately to enhance multiple areas of your home.
