PAIR OF FRENCH FAIENCE CACHE POTS MADE FOR TIFFANY & CO IN THE MID-20TH CENTURY

$4,350

This pair of French faience cache pots or jardinières from the mid-20th century feature round and white bodies, adorned with blue lining decor on the lips as well as exquisite hand-painted bouquets of flowers in the center with blue, green and orange tones. The delicate floral motifs are reprised at the bottom of each pot, placed on a background of yellow color. Two side handles complete the décor. This pair of cache pots, circa 1950 is signed (For Tiffany Faience), and was indeed made in France for Tiffany & Co. The pair would look wonderful perhaps on a tabletop, credenza or enfilade.
