PAIR OF 19TH CENTURY FRENCH GILTWOOD STOOLS WITH FLUTED LEGS AND UPHOLSTERY

$5,250

A pair of French giltwood stools from the 19th century, with fluted legs, cross stretchers and leopard style upholstery. Created in France during the 19th century, each of this pair of giltwood stools features a circular seat covered with a leopard upholstery. The stools are resting on fluted legs connected to one another through X-Form stretchers, each adorned with a turned finial. With their Classical lines and golden tones, this pair of 19th century French stools will bring a refined presence to any living room or bedroom.
