PAIR OF FRENCH 1920S ART DECO ARMCHAIRS WITH EBONIZED WOOD AND ORIGINAL LEATHER

$5,100

This pair of French Art Deco armchairs from the early 20th century features their original brown leather backs and seats over an ebonized wood structure. The backs, decorated with nail head trims, are slightly curved, allowing the sitter to rest his / her back comfortably. The scrolled-out arms rest on a slightly scalloped seat, accented by the nail head décor. The front legs are reminiscent of the Louis XV era with their cabriole shape, while the back legs bring to mind the Empire period. Needless to say, this is a perfect mix of elegance and refinement, birthed in tradition with a twist of modernity, which would make this pair of French Art Deco armchairs from the 1920s – 1930s a wonderful addition to any home.
