PAIR OF ASIAN BLUE GLAZED PORCELAIN BOTTLE FORM LAMPS ON LUCITE BASES

$1,500

A striking pair of Asian porcelain table lamps featuring a deep cobalt blue glaze with a lustrous, reflective finish. The elegant bottle form is defined by a rounded body and long, tapering neck, creating a dramatic silhouette that complements both traditional and modern interiors. The glaze is richly saturated and evenly applied, with subtle variation in tone that adds depth and dimension under natural light.

Each lamp is mounted on a custom round lucite base (5" diameter), offering a clean and contemporary contrast to the rich color of the porcelain. Brass-tone fittings top the lamps, with updated U.S.-standard sockets and wiring for immediate use. The cords exit neatly from the bottom rear and are paired for visual consistency when displayed together.

Measuring approximately 20.5 inches high overall and 8 inches in diameter at the widest point, these lamps are scaled perfectly for use on bedside tables, consoles, or occasional tables. Their bold color and classic form make them a refined yet versatile accent, suited to both collected and curated interior spaces.

Height: 20.5 in (52.07 cm)

Diameter: 8 in (20.32 cm)
