PAIR OF AUSTRIAN BIEDERMEIER CABINETS WITH SINGLE DRAWER AND DOOR, CIRCA 1870

$8,995

A pair of Austrian Biedermeier style walnut veneered cabinets with banded inlay from the second half of the 19th century. Each of this pair of Biedermeier stands features a rectangular top adorned with a thin banded inlay of darker color, sitting above a single drawer placed over a single door. Each dovetailed drawer opens thanks to a brass pull. The door echoes the banding of the top and shows a crossbanded veneer, revealing a beautiful wood grain. Each door opens in a direction opposite to the other one, making this pair of Biedermeier 1870s cabinets raised on square feet a perfect nightstand table. With their warm patina, lovely banding and elegant Silhouette, they will compliment any décor.
