$5,500

A pair of English tôle amphorae table lamps from the 19th century, with scrolling handles and lucite bases. Created in England during the 19th century, each of this pair of table lamps attracts our attention with its classical amphorae shape. Flanked with scrolling handles adorned with petite rosettes, the lamps are resting on tall pedestals mounted on more recent lucite bases. With their elegant silhouettes and nice proportions, this pair of English table lamps, rewired for the US, will bring a graceful presence to any home, perhaps displayed atop a pair of commodes, side tables or an enfilade.
