PAIR OF ENGLISH CHINESE CHIPPENDALE STYLE MIDCENTURY SIDE CHAIRS WITH UPHOLSTERY

$2,450

A pair of English Chinese Chippendale style iron side chairs from the mid 20th century with intricate backs, grey color, faux bamboo structure and new linen upholstery. Created in England during the Midcentury period, each of this pair of side chairs features a grey colored faux bamboo iron structure inspired by the Chinese Chippendale style. The slightly curving backs, made of a careful arrangement of geometric shapes, are flowing into the hind legs in a graceful manner. A rectangular seat, newly recovered with a neutral toned linen fabric, is resting above four splaying legs connected to one another through an H-Form cross stretcher strengthening the ensemble beautifully. With their Chinese Chippendale lines, sturdy iron material and exotic faux-bamboo influence, this pair of English side chairs from the mid 20th century will make for a lovely addition to any home, perhaps placed in a living room, kitchen or foyer.
