PAIR OF ENGLISH MIDCENTURY PINE TABLE LAMPS WITH NATURAL FINISH AND LUCITE BASES

$3,995

A pair of English Midcentury pine table lamps with natural finish, mounted on circular lucite bases. Illuminate your interior with an enticing blend of traditional craftsmanship and contemporary design offered by this pair of English Midcentury pine table lamps. Rooted in the appeal of natural materials and the elegance of simplicity, these lamps emerge as a charming choice for those seeking to enhance their decor with a touch of organic warmth and understated sophistication. Constructed from pine and exhibiting a natural finish, the lamps reveal a captivating pattern of wood grain that enriches their character. The lower sections are meticulously carved with gadroons, adding an ornamental touch that beautifully complements the otherwise sleek and minimalist design. Elevated on custom made 6.25-inch diameter circular lucite bases, these lamps successfully merge the time-honored allure of wood with the chic modernity of lucite. This unexpected fusion results in a striking visual contrast that is both refreshing and harmonious. Professionally rewired for the USA and equipped with single sockets, these lamps not only boast aesthetic charm but also adhere to the highest standards of functionality. They stand ready to cast a warm, inviting glow in any setting - from traditional homes to contemporary lofts.
