PAIR OF FRENCH 1900S LOUIS XVI STYLE WALNUT SETTEES WITH SCROLLING ARM SUPPORTS

$12,600

A pair of French Louis XVI style walnut settees from the early 20th century, with scrolling arm supports, fluted legs and new upholstery. Created in France during the early years of the 20th century, each of this pair of settees features a slightly slanted back accented with pinecone finials. This back is connected to the rectangular seat thanks to two nicely scrolling arm supports. Reupholstered with a neutral-toned double welt fabric, each settee is raised on four fluted legs with carved rosettes on the front knees. Showing a nicely weathered finish, this pair of French Louis XVI style walnut settees circa 1900 will be excellent additions to any living room.
