PAIR OF FRENCH 1920S BRONZE PALM TREE TABLE LAMPS ON OCTAGONAL BASES, USA WIRED

$6,500

A pair of French bronze palm tree table lamps from circa 1920 on octagonal bases, rewired for the USA. This exquisite pair of French bronze palm tree table lamps from circa 1920 showcases a unique and elegant design, expertly capturing the essence of early 20th-century French craftsmanship. Each lamp features a beautifully detailed bronze palm tree rising from an octagonal base, measuring 7.5 inches in width, providing a sturdy and stylish foundation. The palm trees are intricately cast with finely detailed fronds that radiate outward, creating a lush and lifelike appearance. The bronze material boasts a rich patina, adding depth and character to the lamps. Professionally rewired for the USA, these lamps ensure modern functionality while preserving their antique charm. These bronze palm tree lamps can be used to enhance a variety of interior spaces. Place them on bedside tables to bring a touch of tropical elegance to a bedroom, or use them as statement pieces on a console table in a living room or foyer. Their unique design and historical significance make them perfect conversation pieces, infusing any room with a sense of timeless sophistication and exotic flair. Whether your decor leans towards traditional, eclectic, or even contemporary styles, this pair of French bronze palm tree table lamps will seamlessly blend in, providing both illumination and a touch of artistic charm. Their professional rewiring ensures they are ready to light up your home with elegance and grace, making them a perfect addition to your lighting collection.
