PAIR OF FRENCH 1920S EMPIRE STYLE BRONZE AND OPALINE GLASS TABLE LAMPS, WIRED

$4,500

A pair of French Empire style bronze and opaline glass candelabra table lamps from the early 20th century, with scrolling arms and volutes. Created in France during the first quarter of the 20th century, each of this pair of table lamps attracts our attention with its bronze scrolling arms resting upon a white opaline glass pedestal. Raised on a tripartite base accented with delicate volutes, the candelabras have been rewired for the US. With their Empire silhouette and complimenting colors, this pair of French table lamps circa 1920 will bring a touch of refinement to any commode, side table or console!
