PAIR OF FRENCH MIDCENTURY PORCELAIN DEER AND RAM WALL MOUNTS

$3,995

A striking pair of French midcentury porcelain animal busts, depicting a deer and a ram in crisp white glaze. Each finely modeled figure captures the graceful curves and naturalistic detail of the animals' features, from the ram's curling horns to the stag's branching antlers. The flowing manes are rendered with subtle texture, giving the pieces both depth and movement. Designed as wall mounts, each figure is fitted with keyhole hangers on the reverse for secure display. The glossy porcelain finish enhances their sculptural form, lending a refined and contemporary edge to their otherwise traditional subject matter. Ideal for adding an element of nature-inspired elegance to an entryway, study, or dining room, these decorative mounts offer a timeless mix of rustic charm and midcentury sophistication. Whether displayed as a pair or separately, they will make a bold statement in any interior.
