PAIR OF FRENCH MIDCENTURY STEEL AND BRASS TIERED SIDE TABLES WITH HOOFED FEET

$8,995

Pair of French vintage steel and brass tiered side tables from the mid 20th century with glass shelves and hoofed feet. Each of this pair of French side tables features a simple steel structure made of four straight legs, accented with brass pinecones and hoofed feet, and supporting two glass shelves. A cross stretcher connects the legs to one another, providing additional strength to the ensemble. The grand simplicity of the lines is perfectly balanced by the visual contrast created by the golden hue of the brass and silver tone of the steel. With its clean lines and delicate décor, this pair of 1950s French side tables will compliment any room beautifully, particularly in a living room.
