$14,500

A pair of French Paul Sormani walnut bedside tables from the late 19th century, with banding. Created in France at the end of the 19th century, each of this pair of nightstands features a rectangular top with inlay, sitting above a single drawer (one of them presenting a Paul Sormani label). A door below opens to reveal either a simple storage compartment or a swiveling shelf. Raised on tapered legs with banding and brass feet, the tables showcase lower shelves.
