PAIR OF FRENCH STEEL AND BRASS FOOTSTOOLS WITH CUSTOM LINEN UPHOLSTERY

$1,800

A pair of French steel and bass footstools with custom linen upholstery. This exquisite pair of French footstools combines the elegance of steel and brass with the comfort of custom linen upholstery. The cylindrical legs provide a sturdy foundation, while the contrasting tones of the metals add a touch of sophistication. The custom linen upholstery offers a soft, inviting surface, secured with meticulous craftsmanship. Perfect for a living room or bedroom, these footstools serve as both functional and decorative pieces. Use them to elevate your feet while relaxing. Their compact size makes them versatile additions to various spaces, whether placed alongside a sofa, or as part of a reading nook. The blend of steel, brass, and linen creates a harmonious balance between industrial chic and classic elegance, enhancing the aesthetic appeal of any interior. Incorporating these French footstools into your home decor not only provides practical benefits but also adds a layer of refined taste. Their unique design and high-quality materials make them ideal for those who appreciate the fusion of modern and vintage styles in furniture.
