PAIR OF GILT BRONZE MIDCENTURY SUNBURST LIGHT FIXTURES WITH FROSTED GLASS

$18,000

A pair of Midcentury gilt bronze sunburst semi-flush light fixtures with frosted glass bottom concealing the light sockets. Embrace the celestial grandeur with this pair of Midcentury gilt bronze sunburst semi-flush light fixtures. Skillfully crafted, these fixtures illuminate your space with an ethereal glow, while adding a touch of vintage elegance to your interior design. Each fixture boasts a unique sunburst design, brought to life by gilt bronze. The meticulously crafted rays radiate from the center, mimicking the captivating allure of the sun. The gleaming gilt finish enriches the design, adding a layer of vintage charm and refinement to the piece. Nestled at the heart of the sunburst is the frosted glass bottom, an element that combines form and function. The opaque glass conceals the light socket, ensuring the fixture distributes a soft, diffused light, perfect for creating a cozy and inviting ambiance. A crowning feature is the radiant cut glass motifs. This intricate detailing catches the light, adding an extra sparkle to the fixture and enhancing the sunburst effect. The result is an aesthetic showstopper that turns a mere functional item into a piece of decor. Furthermore, these light fixtures have been newly and professionally rewired for the USA. This means they are not only beautiful, but also meet modern lighting safety standards, ensuring your peace of mind. Add this pair of Midcentury gilt bronze sunburst semi-flush light fixtures to your home and bask in the warm and celestial radiance they bestow.
