PAIR OF INDUSTRIAL STYLE GREY METAL PLANTERS WITH TAPERED LINES AND RING PULLS

$4,500

A pair of contemporary American metal cache pot planters from the 21st century with tapered lines, grey patinated color, lateral ring pulls and petite ball feet. Made in the USA during the 21st century, each of this pair of metal planters attracts the attention with its industrial look and simple lines. Eac showcasing a square opening with thin lip, the planters taper down to come and rest on petite ball feet. Presenting ring pulls on the sides allowing the pieces to be moved more easily, this Industrial style American pair of grey colored metal planters from the 21st century will make for a nice decorative addition to any home, placed indoors or outdoors.
