PAIR OF ITALIAN 1930S PAINTED FLORAL SHAPED WOODEN URNS WITH GROOVED ACCENTS

$2,850

A pair of Italian carved and painted wooden floral-shaped urns from the first half of the 20th century with weathered finish. Born in Italy during the second quarter of the 20th century, each of this charming pair of carved urns attracts our attention with its lovely silhouette and soft colored weathered finish. Presenting a large lip boasting sinuous lines, each urn tapers down to rest on a circular grooved base. Perfect to be placed indoors or under a covered patio, this pair of Italian painted urns circa 1930 will bring a touch of charm to any home.
