PAIR OF ITALIAN 1930S TÔLE CALLA LILLIES SCULPTURES IN RED AND GOLD CONTAINERS

$10,800

A pair of Italian vintage painted tôle Calla Lilies sculptures from the early 20th century, with white, yellow and green tones, in red containers. Created in Italy during the second quarter of the 20th century, each of this pair of sculptures is made of tôle and depicts beautiful Calla Lilies, a flower native to South Africa. Boasting a white and yellow color contrasted to the green tone of their leaves, the flowers are planted into square shaped red containers measuring 6.25 inches wide x 6.25 inches deep. These containers are adorned with gilded lion heads with ring pulls and petite gilded balls. Highly decorative, this whimsical pair of Italian tôle Calla Lilies sculptures circa 1930 will bring a stylish presence to any home, indoor or outdoors, perhaps placed under a covered patio!
