PAIR OF ITALIAN 1950S URN MIRRORED TOP SIDE TABLES WITH BURNISHED SILVER FINISH

$7,800

A pair of Italian vintage midcentury urn-shaped side tables with burnished silver painted finish and new custom mirrored tops. Each of these Italian side tables features a circular rim securing a new custom-made mirrored top adorned with a nicely antiqued finish. The table is raised on a carved urn-shaped base, decorated with gadrooned motifs and a carved frieze. Each table is raised on a square base, resting on four petite ball feet. The tables showcase an exquisite silver painted finish that highlights the classical design of the urns beautifully. With its elegant classical lines and refined décor, this pair of Italian side tables circa 1950 will bring a graceful presence to any home, particularly in a living room.
