PAIR OF ITALIAN 19TH CENTURY CARVED WALNUT CONSOLE TABLES WITH DORIC COLUMNS

$16,500

A pair of Italian walnut console tables from the 19th century, with carved dentil molding and Doric columns. Created in Italy during the 19th century, each of this pair of walnut console tables features a rectangular top with beveled edges, sitting above a delicate dentil molding over bead-and-reel motifs and concentric medallions. Each table is raised on four column-shaped legs with Doric style capitals, connected to one another through plain side stretchers. With their elegant décor and dark patina, this pair of 19th century Italian walnut console tables will bring a touch of refinement to any living room or foyer.
