PAIR OF ITALIAN PAINTED AND GILDED DEMILUNE CONSOLE TABLES WITH LYRE BASES

$14,900

A pair of Italian painted and gilded demilune console tables from the early 20th century, with tassel motifs and lyre-shaped bases. Created in Italy during the first quarter of the 20th century, these demilunes attract our attention with their tassel effects and handsome lyre bases. Showcasing a shaped top with serpentine front sitting above an apron imitating the effects of a tablecloth, each table is raised on a lyre base flanked with acanthus leaf volutes. Painted in a soft color perfectly contrasted by gilded accents, this pair of Italian demilune tables circa 1920 will be a great focal point in any home, particularly placed in a foyer or living room.
