PAIR OF ITALIAN STEEL AND BRASS PEDESTALS WITH MARBLE TOPS AND RAM'S HEADS

$7,200

A vintage pair of Italian steel and brass pedestals from the mid-20th century with marble tops, ram's heads and hoofed feet. Born in Italy during the midcentury period, each of this pair of Italian tall pedestals features a white veined circular top secured in a steel structure. Three brass ram's heads separated from one another though a petite aster, adorn each table's rim. The base showcases nicely curving legs, accented with foliage and resting on hoofed feet. With their great proportions and elegant decor, this pair of Italian midcentury pedestals will bring a stylish touch to any home, particularly placed in a foyer or living room.
