# PAIR OF MIDCENTURY FRENCH GUÉRIDON TABLES WITH ZEBRA HIDE AND IRON TRIPOD BASES

## $7,500

A pair of French iron guéridon side tables from the mid 20th century with round zebra hide tops, twisted bases on three scrolling legs. This captivating pair of mid-20th century French guéridon side tables exudes a unique blend of rustic charm and elegant design. Each table features a round top covered in zebra hide, meticulously secured with a nailhead trim that highlights the natural beauty of the animal print. The tops are supported by delicately twisted iron pedestals, which rest on tripod bases adorned with scrolling legs that incorporate subtle Gothic style accents. The intriguing design of the bases, with their thin, spiraled form and ornate feet, offers a striking contrast to the bold, graphic zebra tops, making these tables standout pieces in any interior setting. The combination of the exotic hide and the dark, textured iron adds a touch of the eclectic to both modern and traditional decors. Ideal for use as end tables beside a sofa or as decorative accents in a hallway or bedroom, these tables provide a perfect platform for displaying lamps, collectibles, or a cluster of candles. Their distinctive appearance ensures they will be focal points wherever placed, adding a layer of visual interest and a hint of worldly elegance to the home.
