PAIR OF PETITE FRENCH PATINATED IRON RECLINING LIONS, TURN OF THE CENTURY

$1,500

This petite pair of French iron sculptures from the turn of the century (19th to 20th) features two reclining lions, peacefully resting on a rectangular base. A lot of attention has been paid to the details, giving these lions a very lifelike expression. The nicely aged rusty look would make this pair of French lions, circa 1900 a wonderful decorative accent to any room, particularly on each side of a fireplace's hearth.
