PAIR OF VINTAGE 1940S BRONZE SWIMMING AND QUACKING DUCKS

$2,850

A pair of bronze swimming ducks from the mid 20th century. Created during the second half of the 20th century, each of this pair of bronze ducks charms us with its nicely detailed plumage and lovely expression. Depicted swimming, perhaps on a pond, their beaks open to quack joyously, the ducks show a nice patina. Placed anywhere in a home, from atop a credenza or on the floor, this pair of bronze swimming ducks circa 1940 will compliment any decor.
