PAIR OF VINTAGE FRENCH LOUNGE CHAIRS WITH CAMELBACKS, ROLLED ARMS, EBONIZED LEGS

$4,500

A vintage pair of French lounge chairs with rolled arms, camelbacks, ebonized legs and upholstery. This vintage pair of French lounge chairs, with their elegant camelbacks and rolled arms, exudes classic sophistication and comfort. The chairs rest on ebonized legs, tapered in the front and gracefully saber-shaped in the back, adding a refined touch to their overall silhouette. Their low seats, measuring 16 inches in height, invite relaxed lounging, perfect for leisurely afternoons or intimate conversations. The upholstery, enveloping the backrests, rolled arms and seats, offers a soft contrast to the sleek finish of the legs, creating a visually balanced design that complements both contemporary and traditional settings. The camelback design enhances their sculptural presence, making these chairs ideal focal points in any living room, library, or bedroom. Placed beside a fireplace or near a window, these French lounge chairs can serve as cozy reading spots or elegant additions to a seating arrangement. Their low profile makes them well-suited for pairing with a coffee table or ottoman, inviting guests to unwind in style. The combination of rolled arms and ebonized legs adds a touch of timeless elegance, making them versatile enough to elevate any decor while bringing a sense of French charm to your home.
