PAIR OF WHITE PORCELAIN LIDDED URNS MADE INTO US-WIRED TABLE LAMPS ON GILT BASES

$3,750

A pair of white porcelain lidded urns made into table lamps with single lights on circular gilded bases. This elegant pair of table lamps, crafted from white porcelain urns, epitomizes timeless sophistication. The urns feature slender necks and gracefully curving bodies, resting on circular gilded bases that enhance their visual appeal. Devoid of elaborate decorations, the urns maintain a refined simplicity, distinguished only by petite decorative handles that add a touch of delicacy. Transformed into table lamps, these pieces are fitted with single light sockets, making them both functional and decorative. The pure white porcelain paired with the understated gold accents allows these lamps to blend seamlessly with a variety of decor styles, from traditional to contemporary. Ideal for flanking a living room sofa or gracing a console table in an entryway, these lamps provide soft, ambient lighting while also serving as striking decorative elements. Their neutral color palette and classic design make them versatile additions to any interior, capable of complementing an array of color schemes and furniture styles. These lamps are perfect for those seeking to infuse their spaces with a touch of elegance and a whisper of old-world charm.
