PAIR OF WHITE PORCELAIN VASES MADE INTO US-WIRED TABLE LAMPS ON GILTWOOD BASES

$3,995

A pair of white porcelain vases made into table lamps wired for the USA and mounted on giltwood circular bases. This pair of table lamps, transformed from elegant white porcelain vases, is a splendid fusion of classic aesthetics and modern functionality. Each vase features a generous, smoothly contoured belly that gracefully narrows to a slender neck, mounted on a lustrous giltwood circular base that enhances their visual allure. The pristine white of the porcelain offers a stark, sophisticated contrast to the warm gold tones of the bases. Wired for the USA, these lamps are not only decorative but fully functional for contemporary homes. The subtle design makes them versatile for a variety of settings, from a refined living room side table to nightstands in a master bedroom. Their gentle illumination can add a soft glow to intimate spaces, making them ideal for creating a calming atmosphere in reading nooks or personal studies. Whether used to flank a sofa in a formal sitting area or as a striking addition to an entryway console, these lamps are sure to captivate attention while providing practical lighting solutions. Their timeless elegance ensures they can blend seamlessly with both traditional and modern interiors, making them a cherished addition to any home décor. The bases measure 9.5" of diameter.
