SET OF THREE AMERICAN MIDCENTURY PAINTED CONCRETE MUSHROOM GARDEN ORNAMENTS

$975

A set of three American Midcentury painted concrete mushroom garden ornaments with red and black tops and nicely weathered appearance. Envelop your garden in a veil of enchantment with this set of three American Midcentury painted concrete mushroom garden ornaments. Conjuring up images of fairytale forests and magical groves, these charming mushrooms are adorned with inviting red and black tops that beckon to the imagination.

Crafted from concrete, each mushroom within this delightful trio has been uniquely shaped to boast a distinct size. This variance in size adds depth and a sense of natural randomness, reflecting the whimsical irregularity of the great outdoors. The gently tapering stems support caps painted in distressed red or black hues.

One cannot help but be charmed by the patina that time has bestowed upon these pieces. Their weathered appearance echoes tales of yesteryears and lends an air of nostalgia and wistful grace. As sturdy as they are elegant, these ornaments promise to be treasured garden residents for years to come.

Given their innate charm, these mushrooms serve as versatile accents. Nestle them within a flower bed, where they will peak cheekily through the blooms, or perhaps create a quaint setting in a quiet corner for them to stand as guardians of garden secrets.

Perfect for anyone seeking to sprinkle a little magic and nostalgia into their garden, this set of mushrooms is a love letter to nature and imagination.

The measurements are: 9"W x 10"H , 8"W x 11"H
