TURN OF THE CENTURY CELADON TABLE LAMP ON GILT CIRCULAR BASE, REWIRED FOR THE US

$1,800

A Turn of the Century celadon table lamp from circa 1900 with gilded wood circular base. This exquisite Turn of the Century table lamp, dating back to circa 1900, is a beautiful testament to timeless design. The lamp's body is crafted in a soft celadon hue, evoking a sense of calm and elegance that is both subtle and striking. Resting on a gilded wood circular base, the lamp's base adds a touch of luxury and contrast to the serene celadon, enhancing its visual appeal. The base, with a diameter of 7 inches, provides a stable and stylish foundation for the lamp. Professionally rewired for the USA, this lamp is not only a decorative piece but also a functional light source that can be seamlessly integrated into modern living. Its historical charm and refined aesthetics make it an ideal choice for a variety of settings within the home. It could serve as an elegant accent in a living room, adding a soft glow to evening gatherings, or as a sophisticated bedside lamp, providing serene illumination for nighttime reading. The lamp's combination of celadon porcelain and gilded wood encapsulates the elegance of the early 1900s, making it a perfect addition for those who appreciate antiques with a story. Its gentle light and classic design can enhance the ambiance of any room, making it a cherished piece for years to come.
