WHITE PORCELAIN LIDDED URNS MADE INTO WIRED TABLE LAMPS ON LUCITE BASES, A PAIR

$2,995

A pair of white porcelain vases made into table lamps wired for the USA and mounted on lucite circular bases. Elevate your home decor with this exquisite pair of table lamps, masterfully transformed from white porcelain vases. Set upon lucite circular bases, each with a diameter of 8.5 inches, these lamps blend traditional elegance with modern design. Wired for use in the USA and featuring single sockets, they are not only aesthetically pleasing but also fully functional for contemporary living. The pristine white porcelain of the vases exudes a timeless charm, making these lamps versatile enough to complement a variety of interior styles, from classic to contemporary. The transparent lucite bases add a touch of modern minimalism, ensuring the lamps are visually light and suitable for any space, be it a side table, a nightstand, or a desk. In a living room, these lamps could create a serene ambiance, perfect for evenings spent relaxing or hosting guests. Alternatively, place them in a bedroom, where their soft glow can provide a tranquil atmosphere conducive to rest. The elegant simplicity of the white porcelain makes these lamps a match for both vibrant and subdued color schemes, offering an effortless way to enhance your interior with a touch of sophistication.
